Dear Clare,

Just a short note to thank you for your exceptional support for the Village D-Day 80<sup>th</sup> Anniversary Commemoration on Thursday 6 June. It was wonderful to see the children at the Commemoration Service in the afternoon, and thank you (and them) for bringing along the poppy wreaths that you made last year. I do hope that they can become a permanent feature of our Village Remembrance events in the future.

I was delighted to be able to introduce the children to Ivor Gardner after the Service, and I know that at least one of the girls was absolutely thrilled to meet someone who had been involved in the Normandy landing such a long time ago. I hope that she, and they all, will remember and cherish that moment.

I would also like to thank you for the beautiful lantern that was made for the 'Lamp Light of Peace' procession in the evening. Regrettably, I only had a brief moment to chat with the two ladies who brought it along, and my apologies if I missed any others that might have been there.

I should be very grateful if you would pass on my heartfelt thanks to all those involved, particularly your excellent School ambassadors at the Commemoration Service and the creative souls who added greatly to the Lantern Procession. It was marvellous to be able to involve St Nicholas School in such an historic event.

Yours sincerely,  
Nil
