Letter to Thorn Class Parents

Dear Parents,

I just wanted to let you know that I have become aware of some very unpleasant content on TikTok. Sadly, alongside the fun aspects of social media platforms there can be content that is inappropriate for younger children (the advised age for TikTok is 12+).

On our school website we have some useful information for parents about social media use and if you scroll down you will find some specific information about TikTok and how to set parental controls which may be of interest to some of you. You will find this information in the Health & Wellbeing section if you click on the Parents tab at the top.

This term's work in PSHE in Thorn Class will include lessons on E-Safety so we will be supporting children in school to make appropriate choices and to feel confident to tell an adult if they are worried about anything that they have seen online.

I hope this information is helpful, please do not hesitate to ask if you have any questions.

Kind regards

Jo Lewis
