

'Love your neighbour as yourself.' Matthew 22.37

Respect and Relationships **Enjoyment** **Aspiration**
Courage **Hope**

A message from Mrs Kitts

I am always struck by how much children grow up during their time in Year 6. It has been a pleasure to be more involved with the older children this year and to see how calmly and maturely our current cohort have approached their SATs this week – they are credit to their families and our school family. The rest of the school have shown great respect for their older friends by being quiet around the school too.

I am saddened to hear of children at other schools getting upset about the prospect of SATs and once they have seen the test papers but our children have been well prepared by Mrs Hill, well fed (breakfast provided to give them a boost) and gently supported by all the staff concerned. A big thank you to Mike Wey for diligently supporting every morning this week and in Maths lessons during the year.

Our Christian School

Thanks to the long weekends, we have had two short weeks so Monday assemblies have been missing. Class assemblies have continued to discuss the British Values (Mutual respect and tolerance, Democracy, Rule of Law and Individual Liberty) alongside our school values. Our friends from the Open the

Book group have continued to share stories weekly along with Singing Assembly and Celebration Assembly. The recently introduced school prayer is being used routinely in all assemblies by our Year 6 leaders.

Year 6 leaders

As most of you will be aware, we encourage our Year 6 children to take on various responsibilities and leadership roles. This year we have been very impressed with the team work demonstrated. This is very apparent in assemblies where the School Ambassadors work so well with the Hall Monitors. During Huff and Puff every morning which our single Sports Leader, Florence, leads admirably, the rest of the Year 6s show great supportive qualities. We hope that the new year 6 children will aspire to be like them and we look forward to learning who will be awarded the roles for next year.

Rags to riches

You should have received a message about our upcoming Rags to Riches collection which will raise money for the school. The collection date is **20th June**.

PTA Disco

The new PTA Committee have organised a disco on Thursday 29th June 4-5:30. Further details will follow.

King Charles III coronation celebration

On Friday 5th May the teachers organised a carousel of activities linked to the coronation, including cup cake decorating. This was made much more delicious and decorative by the generous baking and donation of more than enough cupcakes along with icing by Kevin Fraser (The Westbrook). Thank you.

Mr Newman, one of our Sports Coaches provided a range of activities including the 'Dress the King' activity which involved racing to claim the important objects and garments of the coronation which the children really enjoyed. Mr Newman commented how lovely it was to see the older and younger children working so well together which is something that makes our school special.

Thank you to Bromham Parish Council

Our coronation celebrations were rounded off by the Parish Council kindly providing a commemorative mug for every child.

Gold medal winner

Logan in Year 6 has excelled in judo, being awarded a gold medal at his recent British Judo event in Kidderminster. Well done Logan!

Certificates awarded

Presentation: Georgia, Edie, Annabelle, Billy, Nicholas, Aimee, Emma, Charles, Austin F., Hazel

Kindness: Harriet, Sebastian, Arthur, Edie, Austin F., Amelia, Jack, Charlie, Megan, Zoe, Max H.

Learning Relationships: Lucas, Isaac, Zoe, Charles, Finley L., Ethan, Eva-Rose

Resilient: Rex, Logan, Ethan

Resourceful: Bethany, Oliver, Charlie, Jerrard, Riley, Milo, Hunter

Reflective: Billy, Neve, Charlie, Nicholas

Looking forwards.....
